# Enchanting Mangalsutra Designs Which Are Steal Worthy!

BY SHAADIWISH - OCTOBER 4, 2019

As a bride-to-be, you are surely on the lookout for some interesting mangalsutra designs. In today's age of fashion and style, mangalsutra designs are no not just limited to the good old black and gold beads. The trend has changed and so the mangalsutra designs. This auspicious thread around the bride's neck is symbolic of the holy matrimony, signifying that the relationship between husband and wife would be as auspicious as the thread. While many brides today still prefer the classic and traditional gold and black beads, many are spotting some quirky and enchanting mangalsutra designs. We have found some interesting mangalsutra designs, which are a mixture of modern and traditional design concepts.

So, come let's check out some unique and new mangalsutra design ideas:

## 1. Show off your Mangalsutra design in style

We loved how this Mangalsutra has the traditional chain of gold and black with a floral painted pendant. We must say it is worth showing off!
